ACADEMIC QUALIFICATION

GURU GOBIND SINGH COLLEGE OF ENGINEERING

Bachelor of Engineering (Computer Engineering)

CGPA - 9.27

2024

AUG 2021- JUNE

K. K. WAGH POLYTECHNIC

Diploma (Computer Engineering)

91.60%

2021

SEPT 2018- JUNE

INTERNSHIP EXPERIENCE

PSOFT SOLUTIONS (JAN 2025 – PRESENT)

- Developed web applications using both front-end and back-end technologies.
- Gained hands-on experience with HTML, CSS, Bootstrap, Angular, and NestJS in building static and dynamic, responsive web applications.
- Contributed to live web projects, implementing front-end designs and integrating them with back-end functionality using Angular, HTML, and CSS.
- Designed and developed responsive websites using Webflow, implementing modern UI/UX practices and interactive layouts.

APPLICATION SQUARE INFOTECH, NASHIK (OFFLINE) (JAN 2023 – FEB 2023)

- Gained expertise in creating web applications.
- Developed a Student Management System with full CRUD functionality, successfully implementing core operations.

PROJECTS

WEBSITE DEVELOPMENT EXPERIENCE

- Developed and deployed a website for Unitech Engineers, showcasing engineering services and solutions.
- Designed and implemented a website for Saikiran Adhar Ghar, an old age home, focusing on user-friendly features and accessibility.

TASK TRACKER

- Built a Task Tracker using Angular, HTML, CSS, and NestJS with user authentication (login/registration), task management, and dark/light mode functionality.
- All data is securely stored in the backend.

STUDENT MANAGEMENT SYSTEM

- Web application for storing student's database.
- Created with the help of HTML, CSS, BOOTSTRAP, PHP and SQL.

CERTIFICATES

- JAVA (Course)
- PROJIT (National Level Project Competition)-CONSOLATION PRIZE
- KAUSHALYA (National Level Shark Tank Competition)-2ND PRIZE
- SYMBIOSIS SKILLATHON (National Level Project Competition)
